of his son's (Lieut. Martin L. Crimmings,

that he may be driven out of his

and they were married. The bride

OUR GREAT 20TH CENTURY**January Clearing Sale**will be continued here to-morrow with by far the largest stocks we have ever carried and a tremendous
addition of space for their display given us by our new six story building, running through from 21st
to 22d street. We have bought our January Sale lines with a freedom justified by the enormous
increase of our facilities, and so commanded figures impossible under ordinary conditions. The
wonderfully low prices we quote do not mean deterioration in quality, imperfection in manu-
facture, or undesirability in style, but are simply the logical results of immense buying.
